

When the weather outside is frightful, warm up your professional skills from the comfort of your office or home! Join fellow MASI members and friends online for the MASI Winter Webinar on January 21, 2027, and earn six hours of continuing education credit in just one day.

This year's Winter Webinar is dedicated 100 percent to workers' compensation! Our program will feature the latest developments, emerging trends, regulatory updates, and practical insights impacting Mississippi's workers' compensation industry. From claims management and legal issues to the challenges facing self-insured employers, this full day of education will deliver timely, relevant information for workers' compensation professionals.

And, of course, we'll bring back our always-popular live trivia breaks! (They're totally unrelated to workers' compensation but guaranteed to bring a little fun and friendly competition to your day!)

The MASI Winter Webinar has quickly become one of our favorite annual traditions: a full day of valuable education, friendly competition, and virtual exhibit hall networking and all without leaving your warm, cozy workspace.

Instructions to access webinar for virtual learning will be distributed prior to January 21, 2027.

6 Hours Continuing Education
